Re: Candidacy for B.S.L. Treasurer

September 7, 2006

Friends -

Tonight, I declared my interest in the Treasurer position of the BSL. This is an important time for the league given the number of potential officer vacancies. More, though, in my note to you, I give you my pledge to not only perform the tasks of the treasurer role well but to continue the good work done before me to enhance the league and provide even more people the opportunity to play, compete, and have fun!

I freely admit that one of the treasurer's roles - that of fundraising - is more than any one person in a volunteer organization could fill. I'd look to the help and support of you and other members to help brainstorm, organize, make contacts, and contribute to this important league goal. We as an organization need to do a better job of raising revenue from outside the league, rather than push money around from one player/team to another. Teams have had very successful fundraisers -- together, we as a league, can *again* accomplish this.

In order to be on the ballot, I am in need of four signatures from BSL members. I would greatly appreciate if you would be able to take a moment tonight to email Kevin Hourigan at bsl-secretary@beantownsoftball.com to support my candidacy.

I'd also like to ask you to please share my candidacy with your teammates, as the timeline to the election is limited.

I'll see many of you on Saturday for Fall Ball - the rest at the banquet on Sunday. Thanks for your support.

Brian
